

Top Graduate At Harvard

Douglas E. Critchlow, 53 Cross St., Andover, graduated first in the class from Harvard University at commencement exercises last Thursday.

The son of Mr. and Mrs. George F. Critchlow, he received, simultaneously, two degrees in mathematics - a Bachelor of Arts, summa cum laude and also a Master of Arts.

While at Harvard, Mr. Critchlow held a National Merit Scholarship, the Van Duzer Harvard - Andover prize, and a

Detur Prize for outstanding academic achievement.

He was elected to Phi Beta Kappa in 1974.

Critchlow is the recipient of the Sophia Freund prize, awarded annually to the highest ranking student in the senior class of Harvard College as determined at the final degree meeting of the faculty. This prize was established by Sanford H. E. Freund, Harvard Class of 1900.

Freund was also an alumnus

of Phillips Academy, and endowed a corresponding award at Andover. This honor, the Faculty prize, was presented to Douglas Critchlow upon graduation from Phillips in 1972.

He is the only person to have received both awards.

Mr. Critchlow plans to continue his studies at Princeton University next fall, with the support of a National Science Foundation Graduate Fellowship.

A Few Final Moments

Mrs. Adeline Wright, retiring this week after 39 years of teaching in the Andover school system, spends the last few moments of the school year relaxing with, from left, Jerry Gonsalves, Ann Skelton and Margaret Easton.

Dukakis Acts To Validate Bond Votes

Gov. Michael Dukakis will send a special message to the state legislature recommending approval of a special validating act to allow the town of Andover to proceed with bonding issues approved at the annual town meeting.

Due to a technicality involving the omission of the publication of the preamble on the town warrant issued prior to town meeting, bonding counsel informed the town of the need to have the legislative action in order to allow the town to bond.

Involved in the issue are the authorization of \$940,000 in water bonds and \$780,000 in land acquisition funds.

State Rep. Gerald Cohen requested Gov. Dukakis to send the special message to the

legislature in order to speed up and approve the validating act and the governor assured him of the action on Wednesday.

The problem stems from the wording in the official publication of the town meeting warrant, which calls for the voters to meet at 8 a.m. on March 22 to act on Article One, which is the annual town election.

Following this there have been paragraphs in previous town meeting warrants which indicate that the meeting is then adjourned to the beginning of the other town meeting articles, which this year would have been April 26.

The paragraphs indicating adjournment did not appear in

Bruce Dodd, Was Victim Of Polio

Bruce Dodd, 55, whose exemplary life of courage while in an iron lung for the past 21 years, the victim of polio, died Tuesday at Veterans Administration Hospital, Boston.

Stricken in 1955, probably the last epidemic of the dread disease before the introduction of Salk vaccine, Dodd, a resident of 221 South Main Street, has been paralyzed from the neck down since that time.

But, despite the disease-inflicted infirmity, Bruce Dodd assumed the responsibility of providing leadership, morally and spiritually for his then young family.

His wife, the former Rosalie Van Everen, entered the real estate field and eventually opened her own successful office in Andover after her husband was stricken.

Confinement to the iron lung and a rocking bed did not keep Dodd from contributing to the community, working with a youth group at South Church and during one of Andover's election campaigns, aided a

A Fond Farewell

Bancroft students bid adieu to the school as they board the bus for home on the final day of school this week, looking forward to a summer of fun and a respite from the "rigors" of study.

Nostalgia Night At No. Andover

The fabulous fifties will live again on Saturday, July 3, when Arnie "Woo-Woo" Ginsburg arrives at North Andover High School as part of the Bicentennial Celebration.

Nostalgia Night will feature hula hoop contests, the stroll, the

twist and other rock 'n roll favorites. Arnie Ginsburg, well-known radio personality, plays the music of Elvis, Fats Domino, the Platters and other "oldies but goodies". Tickets for this event are available from members of the Bicentennial Committee, at Stevens Memorial Library, the General Store, and in front of Messina's Thursday and Friday evening and all day Saturday.

During the annual Andover Sidewalk Sales Days, Friday and Saturday, the Andover Artists' Guild will sell small art and craft pieces at the Bay State Bank parking lot.

Various artist members will

demonstrate their special skills during those two days.

Added and pertinent features this year are a Bicentennial Photo Stand and a van painting exhibit. At the photo stand, people may have their photos taken in Bicentennial dress enhanced by props painted by members of the Andover Artists' Guild. In the van, members' paintings will be displayed inside a trailer truck parked beside Russems' in the Andover parking lot.

Also of note is a current exhibit during June at the Bay State Bank, Andover, consisting of a collection of paintings done by Howell Stillman.

Graduate From Franklin Institute

Two Andover residents were among the June 6 graduates of Franklin Institute in Boston.

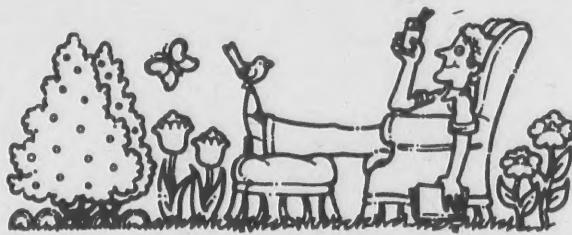

David Justin Fitzgerald, 322 River Road, Andover, received a certificate of proficiency in applied electricity and electronics, and Ralph S. Silde, Jr., 119 High St., received a certificate of proficiency in automotive technology.

Fourth Observance Sunday

The annual Fourth of July observance in Andover will take place on Sunday, July 4. The usual complement of activities will be augmented

by special observances planned by the Andover Bicentennial Commission, but all events are scheduled for Sunday.

Rep. Cohen Unopposed

Rep. Gerald Cohen (D-Andover) will be unopposed in his bid for re-election this fall.

The first term representative filed his nomination papers with the town clerk two weeks ago, signifying his intent to seek a return to

Beacon Hill.

Final date for filing was Tuesday at 5 p.m., and although there had been reports of some local officials contemplating a run for the all-Andover representative seat, there were no additional candidates.

Growth Policy Meeting

The Andover Growth Policy committee will meet Tuesday at 7:30 p.m. in the conference room of the town house.

The committee is working on the growth direction of the town in conformity with the state planning office.

Input from local residents and committees is welcome

at any time.

A public hearing on the growth policy statement will be held Wednesday, July 7, at 7:30 p.m. in the air conditioned West Elementary School auditorium, at which time preliminary response from the public to the work of the committee is expected.

Checking Legality Of Move

The transfer by the selectmen to the school department of funds to provide a maintenance engineer is being examined by the Finance Committee.

The selectmen approved allowing the school department to use the \$12,000 approved at town meeting for the position two years ago, after the school department expressed the immediate need for such a person.

Agreement between the school and town administrators on establishing the position and to whom the person should be responsible could not be gained at a

special joint meeting a few weeks ago.

Selectmen, in view of the school department concern over establishing a maintenance schedule for their buildings, voted to allow the school board to use the funds.

FinCom members think the matter may be illegal and have asked for ruling by town counsel.

If the position is to wind up as a consultant type operation and not a permanent position, possibly the funds could be allocated in the manner approved by the selectmen.

Examining Fee Schedule

The Finance Committee is currently examining the fees collected by various town departments for services.

Aim of the study by the FinCom is to see how closely the money collected comes to meeting the expenses of the services rendered.

Some of the costs are dictated by statute, while others are established by either town meeting or the particular board which oversees the service.

The financial review unit does not establish fees, and

has no power to establish costs, but feels it can look into the matter and make recommendations.

Additional services have been approved in recent years by town meeting, such as an inspector for overseeing subdivision development and several inspection services falling under the control of the board of health.

The FinCom is interested in seeing if these additional services, with the accompanying fees, are placing the particular departments on a self-sustaining basis, or are falling far short.

ABC Students Continue Studies

ABC Graduates

Six students from the Andover A Better Chance (ABC) organization were among the seniors who graduated from Andover High School.

A Better Chance (ABC) students who received diplomas at Andover High commencement exercises last week, and who will be furthering their education in the fall include, front, from left, Karen Hunter, Carmen Febres and Aleta Gardner. In back, Ralph Doughty and James Rush.

Carmen Febres will be a nursing student at Syracuse University next fall. In her two years at Andover High, Carmen was on the honor roll three out of four

terms. In her junior year she took part in the Big Sister - Big Brother Program at Merrimack College, was a member of the Newcomers Club and helped with the Muscular Dystrophy Fund drive. This year she was Homeroom Representative to the Student Advisory Council (S.A.C.), a member of the Ecology Club and Vice-President of the ABC Women's house.

Aleta Gardner plans to study medical technology at Ohio Wesleyan. While at Andover, Aleta received varsity letters in basketball and cross-country track and was captain of the 1976 Girls' Cross-Country team. She has been an honor student three terms this year. This June she was chosen by her fellow graduating ABC students to represent them in an address at the commencement exercises. Aleta told the graduates that despite fearful beginnings, the ABC students had come to feel part of AHS and now consider it "their" school. They are proud to be part of the graduating class.

Karen Hunter wants to be an engineer and will be studying for that career at Cornell University. Karen was an Andover High honors student for the entire two

years she was here. In addition she received a varsity letter in cross-country track and played J.V. basketball both years. This year Karen has served the girls' ABC House as president.

Darryl Amey plans to study Liberal Arts at Trinity College, Conn. Darryl has been a D.J. on Station WASH (Andover High) for two years and this year has worked after school for the Andover Gift Shop. He also has maintained honors for two semesters this year.

Ralph Doughty is off to Ohio Wesleyan. He distinguished himself at Andover High by his performance with the track team for two years. Both years, Ralph

qualified for the Merrimack Valley All-Star Invitational Meet. He had an exceptional year with Andover this year, until his injury late in the season. Ralph served as ABC House Vice-President and maintained honors this school year.

Academy Honors Retirees

A Retirement party in Phillips Academy's Underwood Room honored employees retiring from the academy this year, some after more than 20 and 30 years' association with the school.

Many faculty and staff gathered for the festive party of appreciation where Headmaster Theodore R. Sizer presented prints of Academy art instructor Virginia Powel's widely-known sketches of Academy buildings to retiring employees of five years' standing.

For some, it has been considerably more than five years. Colored framed prints were presented to two women who have worked with alumni or students for decades:

Clara Bredbury, 7 Argyle St., Andover, began her Academy association with ten years at the Andover Inn as a waitress, 1930-1940; almost none of the schoolmasters who used to gather there for a morning cup of

coffee between classes are still teaching at the Academy. Since 1952, Mrs. Bredbury has been a member of the Alumni Office staff in George Washington Hall. She is moving to 307 Elm St., Laconia, N.H., to be near family.

Alice Hirst, 36 Ohio Ave., Lawrence, came to Andover's Isham Infirmary-Hospital in 1954, before it became a fully accredited hospital. As Director of the Out-Patient Clinic, she has bandaged, treated and mothered more than two decades of students for headaches, athletic injuries, upset stomachs or homesickness.

Ann Frawsell, Apt. C-4, 256 North Main St., Andover, has been employed since 1963 in the Commons Dining Hall where, before that year, her late husband, Clayton Frawsell, was Phillips Academy's head chef.

Bernice Katsaros, 23 Ellsworth St., Lowell has held a janitorial position on the Abbot Campus since 1968, employed first by Abbot Academy and, after the 1973 combination of the schools, by the coeducational Phillips Academy.

Stanley Gradzewicz, 6 Bumpy Lane, Methuen, came to the Athletic Department in 1971, and has been gymnasium janitor since that.

George Hawkins, 6 Windsor St., Andover, has worked maintaining the grounds of both Academies, beginning at Abbot Academy in 1972.

Bruno Martinonis, 119 Willow St., Lawrence, has been on the Academy's janitorial staff since 1973.

Turning Point

Turning Point Coffee house will present a free outdoor rock concert tonight at 8 o'clock at The Park in front of East Junior High auditorium. The group, Joshua, will be featured.

Saturday from 11 a.m. to 4 p.m. Turning Point will conduct a Flea Market at their location, 13 Essex St., Andover.

Saturday night from 8 to 11 p.m., Bob Conroy will be featured in concert. A small admission will be charged.

Ready For Sale

Sorting children's books in preparation for the book sale to be conducted by the Friends of Memorial Hall Library this weekend are, from left, Hugh Cushing, Joe Nerden and Mark Perowski. The scouts will assist in cleanup after the sale.

Memorial Hall Library

Book Sale Tomorrow

Friday, June 25, is the day of the library's Used Book Sale. The sale, sponsored by the Friends of the Library, will be held for one day only from 9 a.m. to 7 p.m. There will be a large selection to choose from -- fiction and non-fiction, children's books, records, paperbacks, and best sellers. Don't miss it!

Films And Projectors For Loan

The library has a collection of over 200 8mm films. These films are available for loan to anyone with an adult library card. The collection includes comedy, adventure, science fiction, horror, cartoons, travel and history films.

Projectors may also be borrowed. These may be taken for a 3-day period by anyone with an Andover library card who is over 18 years old. There is a \$1.00 non-refundable fee. The projectors are a popular item, so reserve in advance by calling 475-6960.

Bicentennial Quilt

The Andover Bicentennial Quilt is on display at Memorial Hall Library for the summer. This quilt, which has been made by 22 local women, depicts significant subjects relating to Andover's history. Eventually the quilt will be permanently displayed at Town Hall and will become part of Andover's archives. The library has drawn a diagram of the quilt to identify each of the 25 patches by subject and by the person who made the patch.

Bicentennial Reading

The display of books about American history beginning with the Revolution is growing each week. Starting with fiction and non-fiction books about the era from 1776 to 1788. The display continues with books concerned with the period of westward expansion, 1789 to 1859. The new group of books available this week is about the Civil War period, 1860 to 1868. The books may circulate and there is no waiting.

Children's Room News

By Ruth Hooten

With Summer Vacation just beginning, the Children's Room has ready a booklet describing our summer activities. There will be lots to do this Summer! There will be crafts programs, pre-school story hours, two Summer Reading Clubs, and four full-length movies. During the month of July, there will be a Bookmarker Contest -- we will be taking applications for the best designed and most original bookmarker. So come to the Children's Room for the rules and an application. The prize will be seeing your bookmarker printed up and distributed in the Library.

Registration for the Summer Reading Club will be held on two days. For grades 1-3, registration will be on Tuesday June 29 all day. For grades 4-6, registration will be on Thursday, July 1, all day. You do not have to come to all the meetings for the Club, but registration is required.

Drop by the Children's Room for a booklet that will give all the

times, and descriptions for all the summer activities. There are also many good Summer Reading Suggestion Lists available as well as a list of the new books acquired in May.

There will be NO Laura Ingalls Wilder Club this summer.

To Attend Camp

Brian O'Dell, son of Mr. and Mrs. Edward T. O'Dell, and a pupil at Bancroft School, will attend three weeks at Ted William's Lakeville Baseball Camp beginning July 11.

Two Are Amherst Graduates

Two young men from Andover were among the 317 graduates awarded the Bachelor of Arts degree at the 155th Commencement of Amherst College on Sunday, June 6.

The Class of 1976 included nine Amherst Women - the first women ever to earn bachelor's degrees at the College. Formerly a men's college, Amherst admitted women in 1975 in a group that included second, third and

fourth-year transfer students.

Walter Leo Maroney received his degree magna cum laude with a major in English. His honors thesis was entitled "Baseball in Twentieth Century American Literature: Game, Spectacle, Myth, and Fantasy".

The son of Mr. and Mrs. Walter L. Maroney of Andover, he was a 1972 graduate of Phillips Andover Academy where he received special prizes and served on the staff of the literary magazine. While at Amherst he was consistently named to the Dean's List and was a member and recording secretary of Phi Gamma Chi fraternity. He was also active in the Masquers and performed in many plays as well as being co-winner of Smith College's Denis Johnston Prize for Playwriting. He will be attending Columbia University in the fall.

Robert Ragle Soule, son of Dr. and Mrs. Francis G. Soule of 5 Timothy Drive, received his degree with a major in economics. He came to Amherst as a 1972 graduate of Phillips Academy where he participated in soccer, hockey, crew and tennis.

While at Amherst he was named to the Dean's List and served as transportation chairman of the Five College Student Coordinating Board and on the Economics Advisory Committee. In the fall he will continue his studies at the Woodrow Wilson School, Princeton University.

Jacobson Gets Degree In Accounting

Michael Lloyd Jacobson of Andover has been awarded the degree of Bachelor of Science in Accounting at Ithaca College's eighty-first Commencement Exercises this May. Approximately 800 Bachelors and 100 masters degrees were awarded at the ceremonies.

Jacobson, a '72 graduate of Andover High School, is the son of Mr. and Mrs. Larry L. Jacobson of 183 Woburn St., Andover.

Flowers Election Underway

From now until July 31, Florists' Transworld Delivery Association (FTD) is conducting a National Bicentennial Flower Election. Through local FTD florists, consumers will be asked for their favorite floral "candidate" listed on the official ballot. Results will be tabulated and announced in August, then presented to Congress -- hopefully, to inspire them to name an official floral emblem.

While every state has a floral

emblem, there is still no official national flower. In fact, the U.S. remains one of the few countries in the world without an honorary bloom.

All FTD florists are official polling places and invite the residents of the Merrimack Valley to cast their ballots for their favorite.

Witch hunting in Salem may have been the result of a fungus poison, ergot, which has LSD-like properties. In December 1961, eight girls were afflicted with disorderly speech, odd gestures and convulsive fits, all symptoms of ergotism, Massachusetts

Audubon says. The girls' actions, as recorded in history of the witchcraft trials, agree with ergotism. The fungus grows on rye which was a well-established American crop in the 17th Century.

Students Study Government

In recent weeks the students of Bancroft School Sixth Loft have studied the responsibilities and services of local and state government. Small groups have observed particular functions of the town at town hall and have held informative sessions with Assistant Town Manager, Sheldon Cohen. These sessions have provided the students with historical background, in depth survey of Andover government and a concerned look to the future.

On June 11, Selectmen Janet Lake, Richard Bowen and Susan Poor attended a student meeting in the loft. The selectmen shared their views of civic responsibility with the class.

On June 7, the entire class — 92 children, parents and the Sixth Loft Team of Charles Friel, Mrs. Janis Baron, Mrs. Sheila Eckoff

and Mrs. Nancy Munn traveled to Boston to tour the State House. Representative Gerald Cohen greeted the group and led a tour of the House of Representatives.

Senator William Saltonstall conducted a tour of the Senate. While seated in the visitor's gallery of the House of Representa-

tives, the Andover group was delighted to be officially recognized by the legislators.

DON'T RELY JUST ON SOCIAL SECURITY.

Social Security is fine. But in a world of spiraling inflation, it may not provide for all your retirement needs.

So today it's more important than ever to prepare financially for retirement.

If you don't have a pension fund where you work, you can put up to 15% of your annual salary — up to \$1,500 — into an individual retirement account this year and every year. These contributions are fully tax deductible until after you retire — when you'll probably be in a lower tax bracket.

If you're self-employed ask about a tax-sheltered Keogh plan which lets you save up to \$7,500 per year.

Stop by any of our 10 offices and get the details.

New Post Could Be Short Term

The search for a business manager and a maintenance engineer for Andover schools will soon get underway, following the approval of their job descriptions Tuesday night.

In giving their nod, however, the school committee made it

clear that the maintenance engineer was a short-term job of about two years.

Indications are that long-term, the engineer might take on townwide duties and fall under the town's budget.

Supt. Kenneth R. Seifert said that he had discussed the engineer's job description with Town Manager J. Maynard Austin, and that the duties were compatible with Austin's idea of a superintendent of buildings and grounds.

Seifert said that Austin and Public Works Director Robert McQuade would also be involved in the interviewing process.

Generally, the job description calls for a person with a degree in engineering and supervisory experience in industry or school work. He will supervise maintenancemen and contract work and generally be responsible for overall planning and scheduling of maintenance and repairs.

He will report to the superintendent, as will the business manager.

Both should also come aboard with the understanding, Seifert said, that there may be some changes down the road.

If a town purchasing agent and a town data processing person were to be hired, for instance, the business manager position might be dissolved.

The business manager is to have a degree in business management or accounting, with prior fiscal responsibility and a minimum of five year's managerial experience in a school or industry.

He will prepare the budget, order supplies, prepare bid specifications, and have overall responsibility for transportation and the food services program.

Reporting to him will be Sam Arcidy and Cafeteria Director Richard Barron.

Traditional Staff Is Appointed

The traditional program, Associate Supt. Harry Westcott reported Tuesday night, has come a long way since the original traditional questionnaire was aborted a year ago.

Westcott reported that as of this week, there are 176 pupils enrolled in the program for September, with a waiting list of 21 in grades that are already filled.

The population is still shifting, however, and he said he suspected it would all the way through.

Westcott said the physical facilities have been chosen -- with the traditional grades integrated with the contemporary ones -- and will be readied this summer under the supervision of Principal Eugene Frulla. Frulla will also hold a summer workshop with the traditional staff to prepare programs and write a handbook for the program.

The staff has been appointed and has been meeting with the Parent Advisory Committee.

Ruthers Third After Tough Week

Bob Patterson

... two hits vs. Methuen

Dave Farrell

... expert relief pitching

By Rick Harrison

Playing three tough opponents within a 72-hour stretch is a tall order for any athletic team.

The rugged schedule took its toll on the Andover Babe Ruth baseball nine last week, as the locals put together three solid performances but came away with only a single victory and two losses.

Tower Hill bunched all its runs and four of its seven hits in one inning, handing Andover a 4-2 setback to start the week.

The locals rebounded the following evening, belting North Andover 6-1 behind a brilliant relief pitching effort from Dave Farrell.

Undefeated Methuen remained that way in the third contest, overcoming an iron-man pitching job by Steve Serley to nip the locals 5-2 in nine innings.

The results left Andover third in the Greater Lawrence Babe Ruth League chase, 3½ games behind Methuen with a 5-3 league record and a 6-3 overall ledger.

The club resumed action earlier this week, hosting Prospect Hill and South Lawrence West at the Playstead before battling South Lawrence East at the Lawrence Stadium.

Tower Hill, 4-2

Lefthander Dave Birnbach (3-2) experienced only one bad inning, but that was enough to enable Tower Hill to secure the victory.

Birnbach hurled the distance, allowing seven hits, striking out a seasonal high of eight, and walking a seasonal high of five.

Andover escaped trouble in the bottom of the first when catcher Brian Kelly gunned down winning pitcher Dick Cameron attempting to reach third base on a passed ball.

The locals drew first blood in the third stanza. Lary Larrabee walked with one out, and Dave Farrell moved him along by dropping a near-perfect sacrifice bunt which he almost beat out for a hit.

That proved important, because Birnbach followed with a long RBI triple to rightfield. Had Farrell reached base the three-bagger would have rescued two runs.

Andover loaded the bases in the top of the fourth when Steve Serley singled, Dan Grams was safe on an error, and Bob Patterson battled Cameron for a walk. The threat went by the boards, however, when the next batter struck out.

TH erupted for its four markers in the bottom of the fourth session. Jay Dezan singled, Cameron walked and both advanced on Joe Baillargeon's infield out. Clark Garon was safe on an error to load the bases, and then catcher Dave Boucher tonked an 0-2 pitch over the drawn-in infield for two runs.

Garon was erased at the plate on a grounder to Dave Farrell at shortstop, but 13-year-old leadoff batter Mark Vachon followed with a line single to leftfield plating the eventual game-winning runs.

Andover threatened in the fifth with two out. Chuck Souter walked, and Steve Serley belted a long shot to rightfield that bounced over the Mount Vernon Park fence on a single hop for a ground-rule double. Again it cost Andover a run, because Souter was almost at home plate when the ball jumped over the barrier. He had to return to third, and the next batter popped out.

Tower Hill jammed the bases against Birnbach in the last of the sixth on a single, error and walk... but the lefty fanned the side in that inning to escape trouble.

Andover's last-ditch rally in the final seventh fell short. Dave Farrell led with a single and Birnbach walked. Chuck Souter lashed a scorching liner to left, but it was directly at the fielder for the first out. Steve Serley walked to load the bases, and Dan Grams singled to cut the gap to 4-2.

Luis Martinez, a Lawrence

mings of two-hit, shutout ball. He issued only one walk and struck out five.

The only two hits were solid shots by Gelinas and Mike Costello. Gelinas opened the fourth with a cannon blast to left-center. He made the mistake of trying to stretch the hit to a triple, however, and was nailed on a perfect set of relay throws from Dave Birnbach to Chuck Souter to Dan Grams.

Costello led the fifth with a long triple to leftfield. But Farrell bore down to fan Juba on a curveball, handle Chris Calzetta on a grounder to grams, and

Andover finally nicked Walsh for an insurance run in the fifth. With two out Souter and Serley drew back-to-back walks. Grams faced a bad-hop single over the shortstop's glove to rescue Souter and make it 3-1.

In the Andover sixth Larrabee walked, Bob Patterson reached on an error, and Farrell's grounder moved them up. Larrabee trotted home when Art Walsh balked, and Dave Birnbach then ripped his third triple in three games to deliver Patterson.

Grams was all over the infield handling 10 chances (7 putouts, 3 assists) without an error at third base. Included was the fine stab of a screaming head-high line drive off Bernardin's bat in the third stanza.

Serley continued his hot hitting with 2-for-3, while Grams was 2-for-4.

Methuen, 5-2

Methuen (9-0) and Andover generally hook up in exciting games, and this one was certainly no exception as a large crowd viewed the action at the Playstead.

Steve Serley (1-1) worked eight innings of seven-hit, two-run ball for the locals before tiring in the fatal ninth.

Methuen threatened in the first inning when Mark Wante singled, and raced around to third after an errant pickoff throw. He tried to score on Frank Slater's infield groundout, but Dave Birnbach's throw to Brian Kelly nailed Wante sliding home.

Andover also had a runner cut down at the plate in the first, as a suicide squeeze bunt backfired and Dave Farrell was a dead duck breaking from third for the plate.

The visitors jammed the bass but couldn't score in the top of the second. Andover broke the deadlock in their half of the inning when Bob Patterson singled, and later raced home on Farrell's sacrifice fly.

A long double by Steve Serley went unrewarded in the Andover third, and Methuen vaulted ahead 2-1 in the fourth when Dave Lowell angled a run-scoring triple to rightfield and Jay Dzioba singled him across.

Andover pulled even 2-2 in the sixth on singles by Patterson and Lary Larrabee, a passed ball and a fielder's choice.

Serley, getting stronger as the game progresses, breezed through the Methuen fifth, sixth, seventh and eighth with no trouble.

Andover got a runner to third in the seventh but failed to punch him across. The locals were also denied the victory in the sixth, when Methuen shortstop Joe Grelle made a running, one-handed grab of Dave Birnbach's two-out looper with men at second and third.

The end came in the ninth when Grelle walked, Al Arsenault bunted him to second, and Jay Dzioba slashed a two-out double down the rightfield line to score Grelle. Pete Lacroix doubled pinch-runner Bob Waczzyk home, and Wante singled in Lacroix.

Serley cracked a two-out double in the bottom of the ninth, but was left stranded.

Serley finished 3-for-4, while Patterson and Birnbach chipped in two singles apiece to spark the

eight-hit Andover attack.

Defensively shortstop Dave Farrell and third sacker Dan Grams were again busy and good.

Tag Days

The Andover players will be holding their annual Tag Days in conjunction with the Bazaar Days tomorrow and Saturday.

All funds received are used towards defraying expenses for equipment, umpires, insurance and other operating costs.

The Andover team and chaperones will also be departing for their third annual trip to Montreal, Canada a week from Sunday, July 4.

While up north the team will reside at McGill University. The

locals will play a pair of games against comparable Canadian competition from the Montreal area.

Other highlights of the junket will be a trip to "Man and His World", attendance at a Cincinnati Reds - Montreal Expos

game, and the touring of the site for the upcoming Summer Olympic Games.

Title Showdown Shaping Up

By Rick Harrison

The Andover Little League season is heading down the homestretch, and the way things are shaping up the little old schedule-maker deserves a large round of applause for his tremendous foresight.

In the Major Leagues, tense battles are on in both the American and National Divisions for the second-half championships.

In AL action through last Monday night, the Twins were 7-1 and just a scant half-game ahead of the Tigers who stood at 6-1.

The Tigers had a game last Tuesday night, after TOWNSMAN presstime, and may have squared matters again.

At any rate, both clubs have two games remaining in the second half. Both are in action tomorrow evening, the Twins battling the Red Sox at West Elementary and the Tigers duelling the White Sox at South Schol.

As if you couldn't guess, the final regular-season game has the Twins and Tigers squaring off against one another next Tuesday evening at South.

That contest will undoubtedly be for the second-half title, with the survivor continuing to face the first-half champion Red Sox in a playoff to determine the AL representative in the Town Championship best-of-three series.

The NL chase is almost as tight, with the Cardinals owning a six-game win streak, a 6-1

overall record and a slight lead over the first-half champion Giants through action last Monday night.

Predictably, the Cards and Giants also meet in a showdown game to conclude the regular season.

Turning to the Minor Leagues, two champions were crowned earlier this week and they have already (barring rain) started their best-of-three Town Championship series.

The Pirates captured the National League pennant with a 12-1-1 record, edging out the fast-finishing Astros (11-3) and pesky Cardinals (11-3) by 1½ games.

The Red Sox emerged with the American League flag, topping the tightly-bunched pack with a 10-4 ledger. The Angels garnered second, a mere one game back at 9-5.

The Bucs and Sox were scheduled to launch Town Championship play last night at the Playstead. Game two is listed for tomorrow evening at West Elementary. A third game, if necessary, will be played this Saturday at South Schol.

Other post-season Minor League playoffs will pit the second, third, and fourth place finishers of both the AL and NL against one another.

Major Leagues American Twins, 10-3

The Twins, bouncing back from a lopsided loss to the Indians, rallied after a poor start to trim the upset-minded White Sox, 10-3.

The Sox threw a scare into the second-half leader by breaking out to a 3-0 advantage in the top of the first inning. However, the Twins tied it during their half of the same stanza, scored twice in the third and five more times in the fourth frame.

Winning pitcher Andy Dion went the route, scattering nine hits, striking out three and walking four.

Steve Guschov enjoyed a 3-for-4 night at the plate for the winners, cracking a double, scoring three runs and collecting two RBI.

Jeff Bruk slammed a pair of doubles for three RBI, while Dave Fredette spiked a two-bagger and single to drive home three runs.

Brent Ballard contributed two singles to the 13-hit barrage, and he scored twice. Brett Pearson cracked a double, and timely singles were chipped in by Glen Obermeier and Ed Lewandowski.

Ric O'Shea powered the effort with a two-run homer in the first and a single in the second. Safeties were drilled by MacDonald, Jeff Crockett, Dan Fleming, losing Richard Grimm, Mike and Robbie Retelle.

Defensive standouts were Twins' catcher Brent Ballard and leftfielder Dan Fleming.

Red Sox

The first-half champion Sox also dropped the White Sox, 4-1 in the first but fought back to score the fourth and fifth runs in a 4-1 decision.

Winning chucker Jeff Emmert in the first, Jeff promptly loaded the bases and then pitched out to first. He breezed through the rest of the game when it was all over. Emmert had combined with Mike Chiklis as a

hitter in a tough loss, fanning eight and walking one.

It was 10-year-old Tom Wilkins that ignited the Red Sox, going 2-for-3 and scoring the first run and the winning run.

He also chalked up a pair of hits.

Chuck Frazzette ripped a producing single, Tim doubled and Mark Hall doubled and scored a pair of runs.

Pete Guschov drew a loaded walk for an 11-0 lead. Jeff Demers helped working for two free scoring twice.

Defensively for the shortstop Tom Wilkins, baseman Jay Madden. The Red Sox also reeled in a ninth doubleplay of the season.

Mike Chiklis was top gun at the plate. He went 1-for-1 with a single, double, homer and three RBI.

Ric O'Shea was 2-for-4, doubling and driving in

and Tom MacDonald defensively at third base.

Tigers, 9-

The Tigers put together an amazing five-run rally in the bottom of the eighth and final inning, erasing a deficit enroute to a 9-4 victory over the stunned Red Sox.

Winning pitcher Mike was the happy beneficiary of a sudden explosion. He pitched a distance, allowing six hits, fanning five and walking one.

The reversal started with Scott Zimmerman's single, followed by Craig's triple, doubles by Glen and Scott Tobey, and a home run from Wells and Pete.

For the game Matt 3-for-4, Tobey and Rob 4, and Zimmerman doubled. Tom Powers contributed safety.

Defensive stalwarts Tigers were first baseman Acciardi, who turned a double play, a sacker Scott Zimmerman.

The Red Sox, meanwhile, off their tenth, eleventh and twelfth twin killings before the roof caved in on them.

Twins, 7-

The Twins eased one back in front last Monday, racing from behind and pass the Yankees.

Ric O'Shea powered the Sox' effort with a two-run double in the first and a single. Other safeties were drilled by Tom MacDonald, Jeff Crowninshield, Dan Fleming, losing pitcher Richard Grimm, Mike Chiklis and Robbie Retelle.

Defensive standouts in the game were Twins' centerfielder Brent Ballard and White Sox' leftfielder Dan Fleming.

Red Sox, 5-4

The first-half champion Red Sox also dropped behind the White Sox, 4-1 in the third inning, but fought back to score twice in the fourth and fifth enroute to a 5-4 decision.

Winning chucker Jeff Demers, now 5-1 overall, relieved starter Andy Emmert in the fifth inning. Jeff promptly loaded the bases and then pitched out of the jam. He breezed through the sixth, and when it was all over he and Emmert had combined for a six-hitter.

Mike Chiklis tossed a five-hitter in a tough losing cause, fanning eight and walking seven.

It was 10-year-old Tom Powers that ignited the Red Sox offense, going 2-for-3 and scoring both the first run and the winning tally. He also chalked up a solo RBI.

Chuck Frazzette ripped a run-producing single, Tim Madden doubled and Mark Haddad singled and scored a pair of runs.

Pete Guschov drew a bases-loaded walk for an RBI, while Jeff Demers helped himself by working for two free passes and scoring twice.

Defensively for the victors, shortstop Tom Wilkins and third baseman Jay Madden excelled. The Red Sox also reeled off their ninth doubleplay of the season.

Mike Chiklis was top White Sox gun at the plate. He went 3-for-3 with a single, double, two-run homer and three RBI altogether.

Ric O'Shea was 2-for-3 with a ribbie, Jeff Lindquist singled, and Tom MacDonald sparked defensively at third base.

Tigers, 9-8

The Tigers put together an amazing five-run rally with two outs in the bottom of the sixth-and-final inning, erasing an 8-4 deficit enroute to a 9-8 victory over the stunned Red Sox.

Winning pitcher Matt Wells was the happy beneficiary of the sudden explosion. He went the distance, allowing seven hits, fanning five and walking eight.

The reversal started with a Scott Zimmerman single, and was followed by Craig Horgan's triple, doubles by Glen Acciard and Scott Tobey, and key singles from Wells and Pete Rokicki.

For the game Matt Wells went 3-for-4, Tobey and Rokicki 2-for-4, and Zimmerman doubled, and Tom Powers contributed a key safety.

Defensive stalwarts for the Tigers were first baseman Glenn Acciard, who turned in an unassisted doubleplay, and second sacker Scott Zimmerman.

The Red Sox, meanwhile, clicked off their tenth, eleventh, and twelfth twin killings of the season before the roof caved in around them.

Twins, 7-6

The Twins eased one-half game back in front last Monday evening, racing from behind to catch and pass the Yankees, 7-6.

The Yanks, trailing a 2-0 early, exploded for six runs in the fourth to assume a 6-2 advantage. The never-say-die Twins rebounded for three runs in the fourth, then added the tying and winning markers in the fifth.

Marty Yaghmorian lashed the game-winning two-run single in the bottom of the fifth.

Brent Ballard slugged a two-run double in the fourth, while Steve Guschov and winning hurler Jeff Bruk also stroked two-baggers.

Rounding out the victors' attack with singles were Glen Obermeier, Brett Pearson and Dave Fredette.

Bruk pitched the distance, permitting 10 hits, whiffing six and walking four.

For the Yanks, John Maginnis ripped a two-run double in the fourth and a single. Don Minor tripled, Dennis Glynn banged two singles and solo safeties went to Robbie Slayton, Glenn Joiner, Steve Johnson, Glenn McIntyre and Mike Romano.

McIntyre also pitched the entire way for the Yankees, surrendering seven hits, striking out seven and walking four.

Defensive standouts were rival first basemen Obermeier and Johnson.

Major Leagues National Giants, 12-7

The first-half champion Giants kept the second-half NL hopes alive with a 12-7 conquest of the Braves.

Winning pitcher Jon Pelletier and Greg Sacco toiled three innings apiece, pooling talents for a five-hitter and seven strikeouts.

Rick Apgar, Carmen Scarpa, Steve Smith and Pelletier lashed three hits each for the Giants. Scott Smith slammed a two-run double.

Defensive stalwarts for the Giants were shortstop Carmen Scarpa, third baseman Steve Smith, first sacker Eric Teichert and catcher Albie Cullen.

Outstanding two-way performers for the Braves were Dave Barker and John Ingemi.

Giants, 5-0

The Giants whitewashed the Pirates, 5-0, behind the mound heroics of Carmen Scarpa and Greg Sacco.

Scarpa worked five innings of four-hit ball, fanning eight, while Sacco relieved in the sixth and preserved the shutout with two strikeouts.

Steve Smith hammered a two-run double, Greg Sacco stroked two safeties and other two-baggers were delivered by Scott Smith, Bernie Kavanaugh and Eric Teichert.

Top fielders for the winners included shortstop Jon Pelletier, leftfielder Matt O'Hara and catcher Bernie Kavanaugh.

For the Pirates, losing chucker Brian Moriarty and Dave Factor banged doubles. Mike White starred defensively and also contributed a single.

Cubs, 6-1

The Cubs defeated the Mets 6-1 behind a two hit, seven strikeout performance by pitcher Bob McLaughlin. Jason Powell started off a four-run fifth inning with a home run. Also scoring were Tom Galvin, Dave Lyons and Bob McLaughlin with John Best and Ryan Flanagan providing additional power. The Cubs added two more runs in the sixth inning to complete the scor-

ing. The Mets' offense was provided by Tommy Fabiani, Steve Umanzio, and Mike Walsh. Fabiani was the losing pitcher, striking out four in the effort.

Minor Leagues National Pirates, 8-2

Manager Bill Batchelder's National Minor League Pirates wrapped up the regular season with a 12-1-1 record, insuring itself of the divisional championship by dumping the Redlegs 8-2 in the finale.

Winning hurler Wayne Carver worked the first five innings, and he also went a perfect 2-for-2 at the plate.

Bill Murphy, who had a 3-for-4 night with the stick, relieved in the sixth and finished strongly.

Back-up catcher Dave Kirkland stepped in to star defensively and go 3-for-3. Phil Travis had two hits in four trips, while other key safeties were spiked by Sean O'Shea, Andy Slade, Todd Lawrie, Tommy Laporte and Dave Fraser.

Warrior Jayvees

Members of the Andover High Jayvee baseball team which had a successful season included, seated from left, Ed Hunter, David Hill, Chuck Souter, Mike Silverman, Bob Kramer, Greg Nicastro, Steve Serley, George Stansfield, Chico Macki. Back row, Ed Kelley, coach; Brian Bresnahan, Dan Welsh, David Birnbach, Mike Henderson, Keith McIntyre, Dennis Monroe and Dan Bolduc.

Warriors Win Four Of Five

The Andover Warrior Baseball Club continues to make its presence felt in the Northeast Semi-Pro Baseball League. Andover in its first season of play in the league has found itself in second place after playing one-third of its season. They will have an opportunity to move on the leaders this week.

Rebounding from a tie and a loss only a week ago, Andover won four of five this past week. Beginning with the Georgetown Townies, the Warriors won their first game of the week by a 2-1 score.

The Warriors scored first in the initial inning on a walk to Robinson who went to second on an error by Jones at first, stole third and scored on Don Saab's single to center. They added the winning run on Keith Verrette's home run in the fifth. Georgetown came back for one in the sixth on Jeff Perkins' homer down the leftfield line.

Allowing only five hits, walking one and striking out two Dennis Toomey proved to be the winner.

The following night found the Warriors defeated Seabrook 9-3 behind Dave Robinson's four hits as he walked two and struck out six. The Warriors only garnered five hits but were aided by fifteen walks.

Seabrook started with two in the second, but Andover picked

up six of its own in the fourth with Dave Sweetser's two run double against the centerfield fence being the big blow. Seabrook added its last run in the fourth while Andover added two more in the fifth and one in the sixth.

Mark Morreo went with two hits and Robinson got five bases on balls in a row.

Andover won its third in a row defeating Timberlane on Thursday by a score of 7-6. The Warriors got nine hits from seven different people for its great overall balance. The visitors got two in the first on two hits and two walks only to see Andover come back with three of their own in the second. Morreo led off with a single to left, went to second on Saab's walk and scored on McIntyre's single to left with Saab going to third. Verrette grounded out to score Saab and Traub singled to score McIntyre.

Morreo homered to right center in the third and Andover gathered three more in the fourth behind McIntyre's double to right, a double to right by Verrette scoring McIntyre. Barenboim then walked and both runners moved up on a steal and scored on a Robinson single to center.

In the fifth three hits and a walk gave Timberlane three runs aided by a Smith triple clearing the bases.

In the seventh, the Regionals got another before Robinson

came on to get the last man out and preserve Mike Di Troia's win.

Andover entered Sunday's scheduled doubleheader with Townies from Georgetown in second place.

The first game saw Andover come back from 4-0 deficit to make it 4-2 in the third as Barenboim walked and scored on Robinson's double. Dave then stole third and scored on Herby Ford's single. Andover added four more in the fourth on three hits, a walk, and an error with Ford's three run double being the big blow.

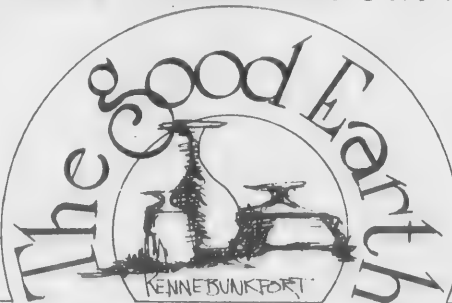

Perkins homered in the third for the Townies as the score stood 6-5 for Andover in the bottom of the sixth until a two out, two strike check swing single scored two runs. Andover challenged in the seventh only to see Steve Corcoran cut down at the plate to end the game.

Coach Kelley said that the game found them a new pitcher in Keith Verrette whom Kelley says was hurt by shoddy fielding.

Game two found Andover rebound for an 8-2 win behind the superlative pitching of Dave Robinson. Andover scored three in the second, two in the third and three in the fifth with the Townies getting one in the second and one in the seventh.

The big sticks for Andover were McIntyre and Morreo with three hits each and Herby Ford's two hits. Andover will play at home on Tuesday and Thursday.

Andover Summer Soccer

During the summer months of June, July and August this year, Andover will field a team in the Suburban Twilight Soccer League. The league consists of 40 teams from the Greater Boston Area, broken down into geographic divisions.

Andover will be competing in the Northeast Division against teams from the towns from the towns of Topsfield, Malden, Wakefield, Winchester, Lexington and Woburn. This is the first year Andover has placed a team in the three year old league, which continues to expand each year.

The Sport Shop Soccer Club of Andover, managed by David Amundsen, will be playing its home games at the Sacred Heart Field off Balmoral Street near Shawsheen Square. Andover's first two home meets will be Tuesday, June 22 versus Lexington, and Tuesday, June 29 versus Winchester. Game time is 6:15 p.m. All interested persons are invited to attend these home matches and view some highly competitive soccer, while lending support to the new Andover squad.

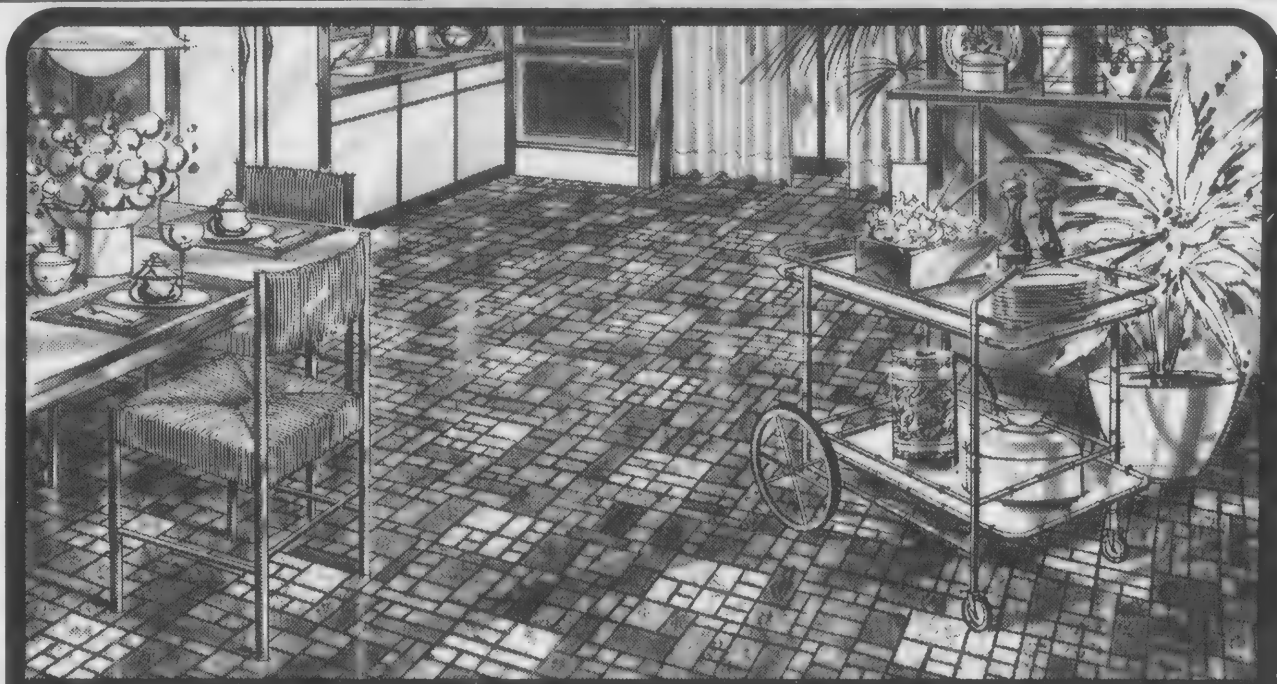

Bates Is Outstanding Swimmer

David Bates of Andover, who swims for the Lowell Boys' Club, won an Outstanding Swimmer Award presented at the New England Association Amateur Athletics Union (A.A.U.) banquet in Worcester on Sunday, June 13. This was given to the five top swimmers in New England in the 10-year-old category. David in overall New England competition placed 1st in 100 yard breaststroke, 2nd in 50 yard breaststroke, 4th in 200 and 11 yard Individual Medley, and 7th in 50 yard butterfly.

Minor Leagues American Angels, 22-16

The American Minor LL Angels, who finished fast by winning three straight and five of their last six to garner second place in the final regular-season standings, outslugged the Patriots 22-16 in seven innings.

Sean Noone, Mike Mercier and Terry Rourke sparked the Angels' assault with two hits apiece. John Nardoza, Brian Sheehy and Noone all lent a hand on the mound.

For the Pats, Scott Harnden spiked three hits, Brian Howell two and Bobby Veilleux chipped in a brace of safeties.

John Nerden and Ken Crawford handled the Patriots' pitching.

Angels, 25-7

The Angels later came back to dump the Patriots with less trouble, 25-7, as John Sheridan and Terry Rourke supplied homerun power.

John Nardoza contributed three hits, Sheridan also starred defensively at shortstop, and Brian Sheehy split the hurling duties with Mike Mercier.

Jim Dietzel countered with a homerun for the Patriots and Brian Howell hammered a pair of hits.

Ken Crawford and Scott Belbin did the Pats' hurling.

Angels, 14-8

The Angels topped the AL champion Red Sox 14-8 in the regular-season windup for both squads.

Homeruns were unloaded by Robbie Ozoonian, Terry Rourke and John Nardoza for the victors. Pitchers Brian Sheehy and Mike Mercier combined for 11 strikeouts.

For the Sox, Paul Newton rapped two hits including a homerun. John Sheedy and Steve Young handled the hurling.

Meredith J. Gillespie

Named President Scholar

Miss Meredith J. Gillespie, daughter of Dr. Garrett G. Gillespie, Reservation Road, Andover, has recently been named a Presidential Scholar. One hundred students were named from the United States, two from each state.

Meredith was the female representing the state of California.

Their week in Washington was climaxed by a reception at the State Department. The following morning they went to the White House to receive their plaques.

Meredith attended the Castella School in Palo Alto, the Phillips Andover summer sessions, and graduated last week from the Taft High School in Woodland Hills, Cal. She will matriculate at Yale University this fall and begin her pre-medical studies.

Bradley Jarvis

To Attend Summer Program

Bradley Jarvis of 215 Greenwood Road, Andover, a junior at Andover High School, will start college-level instruction before he's a senior. He is attending a five-week National Science Foundation Training Program this summer at Emporia Kansas State College.

Approximately 30 students from around the country will participate in research of the physical sciences unifying the concept of "energy" from laboratory to global sociological problems. Support is awarded to college institutions in over forty states annually by the NSF for 11th graders who are science-oriented and of high ability.

Bradley has been an amateur astronomer for six of his sixteen years, and is a member of AAVSO (American Association of Variable Star Observers).

Legend has it that James Watt got the idea for his steam engine by watching his mother's steam kettle as a young boy.

Down The Years

With The Townsman

75 Years Ago - June, 1901

Hardy and Cole are doing work at George Piddington's on School Street, Mrs. Tilton's on Salem Street, and John Corcoran's on Whittier Street. The same firm is installing the sanitariums at the Stowe School and will soon begin alterations at the Osgood School.

A report of the financial condition of the athletic teams at Phillips Academy was submitted at a school meeting this week and showed that total receipts were \$9149 and expenses were \$6,848. Receipts from baseball were \$3163 and football, \$4,006.

Town Treasurer Parker has taken the agency for several strong insurance companies, and will at an early date open an agency in town. At present he is to be found at the town house every afternoon.

Mrs. Abbie M. Shepard of Lawrence has purchased from James Saunders the farm in Frye Village. Mr. and Mrs. Saunders have moved to one of George W.

Stiles' homes on Washington Avenue.

The thermometer registered 98 degrees in the shade at E.M. and W.A. Allen's on Main Street yesterday morning, forcing cancellation of work in some places, particularly the ditch diggers for the Gas Company.

50 Years Ago - June, 1926

The staff of the Punch Harder, Punchard High School newspaper, has been appointed for next year. William Emmons will be editor, Margaret Scott and Dorothy Ruhl, literary editors; Annetta Anderson and Joseph Doherty, athletic editors.

Mrs. Harry Gouck, president of the Andover Ladies Auxiliary, Post 8, American Legion, was elected sergeant-at-arms for the New England Division of the Auxiliary at the convention in Swampscott this week.

The Memorial Hall Library has moved its children's quarters to the temporary location at 15 Bernard St., while renovation work

takes place at the main building. The room has been fitted out nicely and will be open 3 to 8 p.m. daily.

Class day exercises were held on the Punchard lawn Wednesday afternoon for the 41 graduates of the school. The traditional alumni reception will be held tonight in town hall.

During commencement exercises at Phillips Academy, it was announced that \$56,000 has already been subscribed by alumni for the new Samuel F.B. Morse science building to be erected within the quadrangle.

The selectmen have voted to purchase the 31 new parking meters for the Punchard Avenue area outright, thus realizing a savings. Total cost, if paid before June 24, will be \$1,694.

Contracts for more than \$23,000 in furniture for the new schools was awarded to the J.L. Hammett Co. of Boston by the school committee this week.

The Examination Of Fee Schedules

The Finance Committee is currently in the process of examining fee schedules of municipal departments.

In proceeding along this course, the FinCom is recognizing its duty as the town's financial review unit and exercising a concern as to how departmental operations are proceeding.

Basically, we view the FinCom procedures as being sound and businesslike.

Within the confines of perusing the town's accounts, the group should express some concern that departments are operating on a businesslike basis.

In some areas of municipal government, increased services have been placed in recent years, either by state mandate or town meeting directive.

One of the most important areas which has involved increased services in recent years is that of new construction. Coordination of effort among town departments has been necessary to insure protection for both the new home-owner and the town.

Added services have included the inspection of sub-surface sanitary systems, which have been a severe problem in recent years, and inspection of subdivisions as they are developed.

Some services have fees attached, such as the issuance of a building permit, wiring and plumbing permits.

The basic building permit fee has been sufficient in recent years to place the building inspection department pretty much on a self-sustaining basis.

Other areas may be deficient in this regard.

What we view as the FinCom responsibility as they look into the fee structure is to determine where the town should be aiming for proper rate structure.

At best, establishing fee structures, which the FinCom would not do, simply recommend, is a precarious thing.

Residents pay taxes which contribute to the maintenance of departments and municipal personnel.

How much should a person be compelled to pay for services to which he already subscribes in theory through the payment of his real estate tax bill?

In the case of construction permits, it can easily be said that contractors pay the fee, but that ultimate cost is handed on to the property owner when the work is completed.

Quite possibly as a result of the examination by the Finance Committee some fees may be increased to relieve some of the burden placed on the town through the initiation of needed services. Too, there are some services in the sphere of the recreation department which may need some fees attached to relieve the property tax burden.

But, basically, it might be wise to be somewhat cautious in establishing specific rate structures which would penalize prospective or present property owners, just to make municipal departments self-sustaining.

Municipal government as we all know is a non-profit organization - - maybe not meant to be that way, but just happens - - aimed at providing services as equitably and economically as possible.

the warrant this year, and bond counsel, Atty. Henry L. Hall, Jr., of Ropes and Gray, Boston, informed Town Manager J. Maynard Austin there would be difficulty in validating the action of the meeting.

Hall indicated to the manager and the New England Merchants National Bank, which was reviewing the bond authorization, that a special validating act by the legislature would be a proper route to follow to allow the action of the meeting to be carried out.

Necessary to approve the action is a two-thirds vote of approval by both the senate and house.

Atty. Hall indicated that the technicality in the warrant publication could be overcome by the printing in the finance committee report of the actual beginning session of the town meeting business portion.

The PinCom report, however, is not the official document or warning to the voters of the community.

It was generally agreed among counsel and bank officials that there was sufficient warning and notification, but that the official document issued by the town clerk's office did not contain the proper statutory language through an oversight.

The publication of the PinCom report, mailed to every voter, makes it unlikely that

any voter was uninformed or misled, but insistence on the statutory language is necessary for the validation of the bonding procedures.

Town Manager Austin requested Rep. Cohen and State Sen. William Saltonstall to follow through on the matter and Rep. Cohen said Wednesday that Gov. Dukakis had agreed to send the special message and recommendation, with the actual wording of the validating article to be resolved by counsel and legislative leaders.

The actual language will probably indicate that all action taken at town meeting are valid with respect to the two missing paragraphs.

Majority Not Silent

by Jack Anderson
with Joe Spear

WASHINGTON — The silent majority isn't keeping silent about the sex scandals in Washington. Judging from our mail, they are upset over the moral conduct on Capitol Hill.

The public is asking whether the sex stories are typical of the conduct in Congress. Our investigation indicates the moral standards on Capitol Hill are about the same as they are anywhere.

But the rules and customs in Congress prohibit one member from disparaging another in public. Senators and congressmen can also shut themselves behind thick oak doors. Their staffs act as buffers between them and unwanted intrusions.

This has produced a protective, permissive atmosphere which, in the past, has shielded the philanderers. But the hanky-panky in the backrooms of Congress doesn't appear to be any worse, for example, than in the board rooms of the great corporations.

Most of the affairs on Capitol Hill are normal office romances between consenting adults. To illustrate, here are a few stories that our staff has checked out. We are omitting the names because these girls earn their government salaries. They aren't really paid by the taxpayers to be mistresses.

A Southwestern Senator has squired a number of beautiful girls to a dimly lit, Capitol Hill

watering hole. One evening he showed up with his wife. The waitress, in a naughty stage whisper, said to the senator: "Not up to your usual standards, Senator."

A few congressmen have maneuvered to take their lovers along on overseas trips. A Pennsylvania congressman carefully arranged for his paramour to take a separate plane and meet him in Colombia.

A New Jersey congressman slips out with his secretary almost every day to spend an hour necking, like a couple of high school kids, in his car in the Rayburn garage.

There are perhaps a dozen more such stories. But these are the exceptions. The average Member of Congress seems to be as moral as the people who sent him to Congress.

Friendly Investigator: Labor Secretary William Usery recently gave a resounding endorsement to the mob-linked Teamsters Union and its embattled president, Frank Fitzsimmons. Yet this same Usery is in charge of investigating the Teamsters.

While he was praising the Teamsters to the rafters at the union's Las Vegas convention, his own Labor Department was investigating underworld infiltration of the Teamsters. His investigators have alleged that mobsters have their hands on the Teamsters' central states pen-

sion fund.

This raises a serious question. Can the Labor Secretary conduct an honest investigation of a union that he has publicly embraced? Our associate, Marc Smolonsky, called the Labor Department, but Usery refused to retract his praise of the union.

His investigators told us privately that they were surprised at his remarks. But they insisted the secretary has not tried to impede their investigation.

The secretary's statement also sounded like an election endorsement of Fitzsimmons, who recently came up for re-election. As an example of Teamsters democracy, Fitzsimmons barred his critics from the convention hall.

Nine of Fitzsimmons' goons escorted the dissidents out the door. When they attempted to protest from the sidewalk, the Las Vegas police forced them to leave. The police claimed the sidewalk was rented by the Teamsters. It's worth mentioning that the Teamsters have loaned more than \$130 million to hotel and gambling casinos in Las Vegas.

Of course, the Labor Secretary is not supposed to take sides in union politics. Yet he not only endorsed Fitzsimmons but sat through these strongarm tactics without a protest.

I'm Howard; Fly Me: Nevada's Senator Howard Cannon holds three Senate posts which give him enormous influence over the aviation industry. Aviation bigwigs, therefore, are raising money for his re-election campaign. We have been able to trace more than \$20,000 in campaign contributions back to aviation executives.

Recently, Sen. Cannon went to his colleagues to fight for a \$20 million windfall for the airlines. He urged Senate-House conferees to stick the taxpayers for

the overtime of federal inspectors who work on Sundays and holidays.

Since the early days of aviation, the airlines have had to pay these overtime costs. But Cannon wants to transfer this \$20 million expense to the taxpayers. This will benefit such airlines as TWA and Eastern, whose executives have contributed to Cannon's campaign.

A spokesman for Cannon acknowledged that these facts are true but contended that the present law unfairly discriminates against the airlines. The bus lines and railroads, he said, don't have to pay similar overtime charges.

Spiro's Revenge: Sources close to Spiro Agnew say he is planning another crusade against the press. As vice president, he kept up a continuing attack upon the three TV networks and the leading Eastern newspapers. He accused them of a liberal bias.

Now Agnew has confided to friends that he may resume his regular broadsides against the press. But he has a new charge to add. He will also accuse the major newspapers and networks of a "pro-Jewish" bias.

He has already used this line on television talk shows. He was encouraged afterward by the congratulatory mail that flooded in. He believes he can build the issue into another national crusade against the press. He has discussed using an educational foundation to finance his anti-press campaign.

It appears as if Agnew, by harping on the Jewish influence in the press, hopes to attract Arab money. But in fairness, he has actually said nothing about soliciting Arab contributions. But he did say that he intends to charge in his memoirs that he was the victim of a plot to drive him out of the government.

For Those Of Us Who Are Older

There is a need at The Haven for volunteer drivers for The Haven wagon. The time schedule and hours needed are negotiable, but those volunteering should be able not only to drive but to assist in carrying grocery bags, etc. The service is most needed, but must be done on a volunteer basis since funds do not exist for this purpose. If you have a couple of hours each week through the summer or portion of the summer that you would be willing to give, a lot of Andover senior citizens would appreciate your service. Stop by The Haven, or call 475-3968 or 475-4165.

The Haven will be closed next Monday and Tuesday to enable its facilities to be moved from 25 Barnard Street to the town-owned Theater Building on Essex Street. The new quarters will be open Wednesday, June 30. There is and will be much to be done before the new quarters are what

Receives Doctorate

Rev. Donald B. Myrom, pastor of Faith Lutheran Church in Andover, recently received his doctorate at the Boston University School of Theology. His field of study was Church Ministries and Administration. His dissertation focused on the subject of volunteer motivation.

Pastor Myrom has been serving as chairman of the New England Synod Volunteer Network of the Lutheran Church in America for the past three years.

He received his B.A. degree at Wittenberg University in Springfield, Ohio, and his M. Div. degree at the Lutheran Theological Seminary at Philadelphia.

He and his wife, Patricia, have two daughters, Jillian and Deborah.

Council Plans Bible School

The Greater Lawrence Council of Churches is sponsoring a 1976 Summer Vacation Bible School during July and August. The Vacation Bible School is an interdenominational Christian educational program for the children of the Greater Lawrence area who will be entering grades 1 through 6 this fall.

Co-directed by Rev. Daniel O'Neill, Pastor of First Spanish Disciples of Christ Church, Lawrence and Miss Ann Aman, Christian Education Coordinator, St. Augustine's, Andover, the program is designed to be cross cultural, bilingual, urban and suburban.

The curriculum designed around the idea of Shalom, a Hebrew word translated variously as peace, freedom, mercy, contentment, love, sharing, understanding, and wholeness, will incorporate experiences such as religious education, arts and crafts, sports and singing. The Bible School will run in four, two-week sessions from July 6 to Aug. 27 concluding with a grand parade in Lawrence Aug. 28.

Clusters of churches both urban and suburban will sponsor the four sessions. Registration is now taking place. For further information contact the Greater Lawrence Council of Churches 117a South Broadway, Lawrence.

No. Andover Ecumenical Service

On Sunday morning, July 4, at 10 a.m. the various churches in North Andover are sponsoring an Ecumenical Service on the North Andover Center Common at 10 a.m.

This religious observance is the churches' united effort to commemorate the Bicentennial in North Andover.

Zach - Bailey

Interfaith Chapel of the United Nations in New York City was the setting for the April 10 marriage of Ms. Ann-Marie Bailey of Andover to Theodore Zach.

The bride is the daughter of Mr. and Mrs. Francis W. Bailey, 36 Westwind Road, Andover, and the groom is the son of Mr. and Mrs. Joseph Zach of New York City.

Dr. Melvin Hawthorne of the Interfaith Chapel, and the Rev. Joseph O'Rourke of Fordham University, officiated at the 1 o'clock ceremony.

The bride and groom were given in marriage by their parents and the bride wore an embroidered silk shirt and linen skirt, with an heirloom necklace worn at family weddings for three generations. She carried a bouquet of white roses, and her mother and the groom's mother and grandmother wore white rose corsages.

A reception followed the ceremony at the couple's West 70th Street apartment, and they took a wedding trip to St. Thomas in the Virgin Islands.

Ms. Bailey, who retains her maiden name, graduated from Andover high school and the Pratt Institute School of Architecture. She is employed by

Weisberg, Castro Associates in New York City. Her husband graduated from Brooklyn Technical High and attends Pratt Institute School of Architecture. He served with the U.S. Army Combat Engineers and is employed with The Grad Partnership, Newark, N.J.

Intown Bazaar Scheduled

The Lawrence Intown Sidewalk Bazaar will take place on Tuesday, June 29, from 9 a.m. to 9 p.m. During those hours, merchants along the length of Essex Street will put their wares on display on the sidewalk and, in some cases, on the street itself. The key aspects of this annual sales promotion are bargain prices, and this year will be no exception, with more stores participating than ever before.

In addition to the great values available to shoppers, there will be other significant attractions. A calliope will provide continuous music, and a 1913 Stanley Steamer will serve as a shuttle bus for pedestrians intent on exploring the bargains to be found along the length of Essex Street.

Michael Costello, Lawrence Intown Manager, stated that the merchants are enthused about the bazaar activities, and will be offering a large range of merchandise at rock bottom prices. He noted that all bus service will be transferred to Common Street for this one day, June 29. Costello added that visitors to

the bazaar will find convenient parking available in the off-street lots and the garage.

Harbor Islands

Between the sweep of the shoreline and the open ocean lies a very special place - the Boston Harbor Islands. A broad range of special programs will be provided on the Harbor Islands throughout the summer. From July 14-20, the Harbor Islands Week festival will celebrate a full seven days of historical, educational, recreational and "just plain fun" activities.

Carla J. Worth

Receives BU Degree

Carla Jean Worth, daughter of Mr. and Mrs. David Worth, 1 Shipman Road, Andover, received a Bachelor of Science degree in Special Education from the school of education, Boston University, at commencement exercises May 23.

Miss Worth hopes to specialize in behavior modification.

A dean's list student, at B.U., she is a 1972 graduate of Andover High School.

father, the bride wore a gown of white Quiana, trimmed with Venice lace, and featuring a fitted bodice, A-line skirt, and full-back which terminated in a cathedral-length train. Her three-tier veil of imported illusion was edged with matching lace and attached to a Camelot headpiece. She carried a bouquet of white roses, stephanotis, carnations and blue baby's breath, with a long white ribbon.

Mrs. Linda T. Schembri of Lawrence attended as matron of honor and Ms. Barbara A. Divino of Methuen, as maid of honor. They wore peach Quiana gowns with matching jackets and picture hats, and carried bouquets of peach roses and green carnations.

Wearing identical gowns in mint green were the bridesmaids, Ms. Judith L. Divino of Methuen, and Ms. Margaret Edwards and Ms. Gerri L. Brother of Andover. Mrs. King chose a pink double knit gown accented with a beaded midriff for her daughter's wedding, and carried a bouquet of pink roses and stephanotis on her matching bag. The groom's mother wore an aqua quiana gown with fitted bodice and decorated with seed pearls. Her corsage was of white roses and aqua baby's breath.

Charles Piekarski of Lawrence served as best man, and ushers were Dennis DiZuglio of Methuen, James R. Schembri of Lawrence, and Edward J. King and Charles H. King II of Andover.

The new Mrs. Divino graduated from Andover High and Lowell State College, and teaches at Sanborn Elementary School. Her husband graduated from Central College and Boston College, and recently received his master's degree in business administration from Boston College.

A reception followed the wedding at the Andover Country Club.

Peaches Plentiful At Market

Fresh peaches are plentiful at markets now, and supplies of this popular fruit will increase during July and August, according to the Massachusetts Department of Food and Agriculture.

Georgia, the Carolinas and six other Southern states expect a crop that's 38 percent above last year, but spring frosts affected growing in most other areas.

In Massachusetts, peach trees were also damaged by the widely fluctuating temperatures this winter and cool, damp weather caused poor pollination at blossom time.

The harvest of Massachusetts grown peaches should begin in late July, and though the crop will be considerably less than last year's, it is estimated at more than 3 million pounds.

Peaches have been grown locally for many years, as peach stones were among the seeds ordered by the Governor of the Massachusetts Bay Colony in 1629!

The Indians are credited with carrying the new fruit inland, and peaches had become so abundantly distributed in America by the mid 18th century that leading botanists of the day believed the fruit native to this country.

China claims the origin of the peach, however, and from there it was introduced into Persia and eventually Europe.

Some 40 peach varieties are grown commercially in the U.S., and they can be broadly classified as "clingstone" or "freestone". The flesh of the fruit separates easily from the stone or pit in the freestone types, generally sold as fresh fruit, while the flesh clings tightly to the pit in clingstone types, which are mostly processed.

Both types include varieties that have white flesh and those that have yellow flesh.

Select peaches that are fairly firm or becoming a trifle soft.

The skin color between the rosy red areas should be yellow or at least creamy and not distinctly green, as immature peaches will not ripen properly.

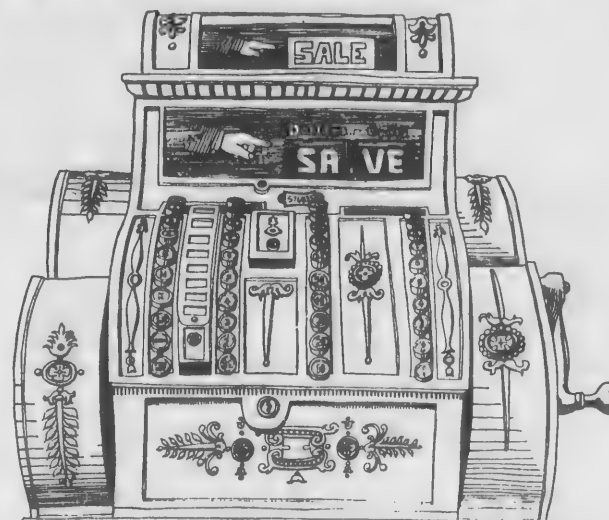

If peaches are not fully ripened, store at room temperature until the flesh begins to soften, and then refrigerate.

Most fish around Antarctica live on the ocean bottom; few are surface swimmers. The ice fish (Chaenichthyidae) has no circulating red blood; it is not known how oxygen is carried from the gills to the body cells, according to Massachusetts Audubon.

Top Essays Selected

The Bicentennial Commission, Norma Gammon, Chairman, has judged Ken Estabrook's essay, "The Case for Attending Town Meeting", as the best in the East Junior High School, and John Grecoe's, "Town Meeting: Efficiency With Tradition, Or Tradition Without Efficiency", as the best of the West Junior High essays.

Other finalists in East Junior High were Marianne Howard: "Brief History of New England

Town Meeting", and Pat Gingras: "Town Meeting and the Democratic Process". Top essayists in West Junior High were Elise Pyun: "Why the Public Should Attend Town Meeting", and Claire Gilliat: "A New Experience".

The Merrimack Valley National Bank has provided pen and pencil sets for the six successful participants. Winners in the high school section of the contest were previously an-

nounced.

The writing project was sponsored by the Committee To Improve Town Meeting, and the essayists focused on the role of town meeting in the evolution of the democratic process. Cooperation by the school committee, the school administration, the faculties, the Bicentennial Commission, and the Merrimack Valley National Bank made the project possible.

The two top essays:

A Case For Attending Town Meeting

By Ken Estabrook

The citizens of the United States have one of the greatest treasures in the world, democracy.

Democracy is a government run by the people who live under it, not by some arbitrary ruler. Yet many people still take this great treasure for granted.

The citizens of Andover have an even greater gift, democracy in its purest form, the town meeting.

Most town governments are run by representatives of the people. But in an open town meeting like the one Andover has, the people are given the power to decide for themselves. However, only a small percentage of the people go to the town meeting. This means that only a few people make the decisions for most of the people.

Would you like to leave the decision of whether or not to put a new highway through your backyard to someone else? Would you like a very small percentage of the people to decide how much in taxes you will pay? By going to the town

meeting your voice will be heard in government. It was for this reason 200 years ago men fought and died in the Revolution so that their voices could be heard in government.

When the United States wrote the Constitution, it was an experiment, an experiment in democracy. At that time no other country in the world had a government run by the people.

In a short time the United States has become one of the world's greatest powers. We've shown that democracy works. But today in this modern world of ours, the vast majority of the people do not share in the responsibility of running their government.

The citizens of Andover owe it to themselves and to the community to participate in the town meeting. If a new highway, for example, were to be built through Andover, this should involve the entire community because it affects the entire community. It affects those whose houses are in the path of the highway and it affects Andover

as a whole, but still only a small percentage of the community will make the decisions.

There are some people for very valid reasons simply cannot attend the town meeting, but the major problem is that people simply do not care. To not care about the government you live under is a crime to yourself. Also it is not enough just to care, you must do something. Attending the town meeting is the way to do something.

If people would only stop to think about living under a dictator and having no control over their government, maybe they would begin to appreciate our democracy and would begin to participate more in government by attending the town meeting.

If a person does not attend the town meeting he is only hurting himself by leaving decisions that affect him to other people. This person has no right at all to complain about the government, the people who are involved, and the decisions they make.

Town Meeting: Efficiency With Tradition Or Tradition Without Efficiency

By John Grecoe

The Andover town meeting is an old New England tradition that has been with us for many years. Upon the arrival of each Spring, surer than the return of the sparrow, the Andover town meeting is held.

Its arrival is heralded by

tenseness and excitement, which is greatly intensified by the uniqueness of it. In no other city or state outside of New England can such an open process be found. The power is given to any one person, sitting in auditorium, to deny, or approve an article or budget that has been brought

before the public.

This process could greatly affect the growth and development of Andover, which makes town meeting a challenging and prosperous event. But many questions have arisen over the

Mrs. Feier Coordinator

Mrs. Esther Feier, 10 College Circle, Andover, has recently been appointed chairman to coordinate state American Association of University Women efforts toward passage of the Equal Rights Amendment in November. This past year Mrs. Feier has headed a group of local AAUW women who have been studying women's issues. Since the beginning of the year, with the added support of other in-

terested women, the group has concentrated its energies on ERA.

They have spoken to groups of both men and women throughout the state and have collected information on the amendment as well as distributing their own pamphlets. In her new role as task force coordinator, Mrs. Feier will help other local AAUW branches turn their support into positive action.

Mrs. Harvey M. Millier, III

Millier - Richards

Laura Elizabeth Richards, the daughter of Mr. and Mrs. John Richards, II, of 80 Bartlet St., Andover, became the bride Saturday of Harvey Milton Millier, III.

The groom is the son of Mr. and Mrs. Harvey Milton Millier, Jr., Drexel Hill, Pa.

The Rev. J. Lawrence Vaughan of Christ Church, Andover, officiated at the 4 o'clock ceremony held in Cochran Chapel at Phillips Academy. A reception followed at the North Andover Country Club.

Given in marriage by her father, the new Mrs. Millier wore a gown of antique satin that belonged to her aunt and featured a long train. She also wore an heirloom veil of rosepoint lace

and carried a bouquet of white roses, stephanotis and daisies.

Pamela M. Richards of Andover attended her sister as maid of honor, and bridesmaids included Mrs. Debra A. Boulanger of Wilton, Conn., and the Misses Elizabeth L. Comegys of Wenham, Anne and Margaret Millier of Drexel Hill, Pa., Amanda Royce of Andover and Sally Woolworth of Philadelphia. Catherine C. Richards of Andover was junior bridesmaid.

The attendants wore gowns of a malia print in cornflower blue with daisies, and carried daisies and ivy.

Flower girls Lydia Wise and Katina Smith of Andover wore dresses of the same material and carried baskets of daisies.

Sprinkler Party Ends Nursery Year

Community Cooperative Nursery School ended the year with a sprinkler party when the children brought swim suits and towels to school. Refreshments included a special birthday cake with one candle to celebrate the first year of the school's operation.

Throughout the year the children went on field trips that offered a wide range of experiences in the company of teaching director Julie Morse and teacher Rachel Graber. The group milked Rosie the goat at Richard and Carolyn Bonier's farm, held Jake the boar at Phillips Academy, explored for tadpoles at a local pond, enjoyed a hayride at Bruin Hill Pony Farm, tried on firemen clothing at the fire station, tested the jail beds in the police station, ate hamburgers at Carrols, visited the library and jumped on the trampoline at June Burke's home.

Three parent discussion meetings took place in cooperation with Family Kindergarten. Topics ranged from "Aggression and Sibling Rivalry" to the "Effect of TV on Children" and finally "Questions about the Mental and Physical Health of Children from Cradle to College" led by Drs. Paul Donahue and Richard Bonier.

Students for 1975-1976 who will attend Kindergarten in the fall were: Nancy Abramson, Fran Bonier, Michael Burke, Erin

Mr. and Mrs. Adrian C. Aery, III

Aery - Allard

Dorothea Allard, daughter of Mr. and Mrs. Almon Allard, 38 Argilla Road, Andover, became the bride June 12 of Adrian Cornell Aery, III. The groom is the son of Mr. and Mrs. Adrian C. Aery of Caldwell, N.J.

Dr. Otis Maxfield officiated at the 2 o'clock service at West Parish Church, which was decorated with bouquets of white snapdragons, red carnations and baby's breath at the altar, and red geraniums in the windows. Carolyn Skelton, organist at Phillips Academy, provided the organ music and Lydia Whitehead, also of Phillips Academy, was soloist.

Given in marriage by her father, the bride wore a white organza gown trimmed with Cluny lace, and featuring a scooped neckline, long, full sleeves gathered and ruffled at the wrist, a tiered skirt and short train. An elbow-length veil fell from her headpiece of Cluny lace.

Amy E. Ligget of Haversford, Pa., was maid of honor, and bridesmaids included the groom's sister, Sue E. Aery of Caldwell, N.J., Deborah A. Willett of Andover, and Barbara Hunerson of Long Island, N.Y.

They wore full-length,

A greater number of species of birds can be seen in a wooded swamp or river bottom than in any other type of habitat, according to Massachusetts Audubon. Marshes have large breeding populations, five to eight pairs of birds per acre.

sleeveless gowns of red dotted swiss, featuring high, ruffled colonial necklines with ruffles over the shoulders, flounces at the bottom, and white grograin ribbon sashes. They also wore white picture hats trimmed with red dotted swiss, and carried colonial baskets of white marguerites, red carnations and baby's breath.

Mrs. Allard chose a full-length gown with a white skirt, and bodice and jacket of white with turquoise, aqua and coral print for her daughter's wedding, while the groom's mother wore a gown in shades of blue and lavender voile. Both wore white orchids.

Barry W. Ridings of Cedar Grove, N.J., served as best man, and ushers included Richard Switzer of Ellington, Ct., the bride's brother Richard C. Allard of Avon, Ct., and William Johnston of Waltham.

The new Mrs. Aery graduated from Andover High School, Katharine Gibbs School in Montclair, N.J., and Colgate University. She is employed by A & W Distributors, a division of United Brands.

Her husband is a graduate of Caldwell High School and Colgate University, where he was a member of Delta Kappa Epsilon fraternity. He is a technical sales representative for the Dade division of American Hospital Supply Company.

Following a reception at the Lanam Club, the couple took a wedding trip to Grotto Bay, Bermuda. They will reside in Framingham.

Smith Club Elects New Officers

The semi-annual meeting of the Andover - Merrimack Valley Smith Club was held Wednesday, June 16, at the summer camp on Plum Island of Mrs. H. Greenleaf Noyes of Newburyport.

The new slate of officers was announced by nominating committee chairman Mrs. John Giblin of Andover as follows: president, Mrs. Clark H. Gowen of Georgetown; secretary, Mrs. Edmund H. Sears, III, of Andover; treasurer, Mrs. Larry E. Reeder, Andover; publicity, Mrs. John F. Giblin, Andover; program, Mrs. B.H. Bragen, Andover; candidates, Mrs. Joseph Trombly, North Andover, Mrs. Craig Falk, and Mrs. Raymond Harrison of Boxford; pecans, Mrs. Frank Reynolds, Mrs. Harper Follansbee, Mrs. Frederick Johnson, Mrs. John

Giblin, all of Andover, and Mrs. Paul Cavanaugh of Rowley, Alumnae Fund Calling, Mrs. George Bixby of Andover; contacts, Mrs. F. Aldrich Edwards, Merrimack and June Hampe of Amesbury.

Following the business meeting, sherry and a picnic lunch was enjoyed by those attending.

The next meeting will be held at Mrs. Bragen's home in Andover in September.

Special Town Meeting Is Requested

Request for a special town meeting to seek funds to repair the high school roof may be acted upon by the selectmen Monday night.

The school committee Tuesday night voted to ask the selectmen to call for a special town meeting as early as July to provide the funds necessary to make the repairs before winter sets in.

Calling of a special session may face a difficult time, however, since some members of the board of selectmen disagree on the need, and have doubts about obtaining a quorum in the middle of summer.

In a mood to "outch all

bases", they also agreed to put their heads together with the selectmen, town manager, finance committee and town counsel to see what they could and could not do to raise the necessary funds in a hurry.

Both the town meeting and bidding procedures require time, and Supt. Kenneth R. Seifert reported that if the work can't be completed before November 1, "forget it". The roofing process needs warm weather in order to bond appropriately.

Seifert also insisted that if the work is not finished he would have to request that some rooms in the high school

be closed next fall. He said slick floors caused by leaks presented a hazard and that one teacher did slip and hurt his shoulder last year. Among those likely to be closed would be the foreign language laboratory and the arts and crafts room.

Furthermore, he said, if the roof is allowed to go another year the half-million-dollar gymnasium floor might be lost.

The original report on the roof said that no new streams were likely to develop from the leaks, but that the volume of water will get larger and larger.

The school committee Tuesday night figured they can come up with \$50,000 from Public Law 874, \$30,000 from next year's maintenance budget, and perhaps another \$20,000 from budget accounts that have been frozen for next year.

That still leaves them far short, however, of the \$175,000 to \$225,000 it now appears will be necessary to repair the leaky roof.

The Finance Committee has some \$47,000 left in this year's contingency fund, and that money must be encumbered by June 30 when the books are closed, or possibly by July 15, putting a rush date on that commitment.

Donn Byrne of the Finance Committee reported that if the selectmen agree to a special town meeting, the Finance Committee will have to go out to bid on the printing of a warrant, which would then have to be mailed to every registered voter in town.

The required waiting time for bid and meeting notices, plus the work, puts a special town meeting at least a month away, he said.

He further guessed that the cost of a special meeting would probably be about \$4,000, and warned that it might be dif-

ficult to get a quorum in July or August.

Seifert added that the bidding procedure for the roof repairs itself would take at least another two weeks, and he estimated that the work itself would take one to four months, with two months "most realistic".

Another suggestion to get things moving quickly was to use money from next year's budget, and return to the October town meeting to replenish the funds.

"You can play Russian roulette with anything you want to," Chairman George Olesen said, indicating that next year's budget could be dipped into, but that town meeting in October might not be in a generous mood, leaving the school committee budget in a real bind.

"Does anyone want to play the Teddy Roosevelt game?" Olesen asked, adding a moment of levity to an otherwise serious topic.

He explained that Roosevelt had once asked Congress for funds to send the Navy around the world, and that Congress gave him half of what he asked for.

Roosevelt sent the Navy halfway around the world, Olesen said, and then went back to Congress to get the money to get the Navy home again.

The committee did expedite matters somewhat by approving Seifert's request for "not more than \$5,000" to have an outside consultant prepare bid specifications for the roof.

Olesen, who said the work had to be done and had to be done this summer, said he honestly felt they could be a lot further down the road toward repairing the roof by now. He said he doesn't want the roof funds to come up at a special town meeting where a lot of other things can come up as well. Sometimes, he said, voters tend to be guided by emotion rather than fact.

Summer Term Starts Saturday

The Andover-North Andover YMCA opens an eight week Summer Term program on Saturday, June 26. A full program of warm weather activities is scheduled with emphasis upon aquatics to take advantage of the new YMCA pool. Full Privilege Members will choose from an assortment of recreational activities with opportunities to use the facilities of the YMCA on an informal basis also. In addition the general public will be served more extensively than is possible during the balance of the year through acceptance in many program and also because in this one season a short term Full Privilege Membership is available to individuals or to families, covering the period June 15 - September 15 only. Membership applications and enrollments for programs are being accepted at the new YMCA building, 165 Haverhill St., Andover, where openings exist and on a first come basis. Summer Term program folders, carrying full information, are available at the YMCA.

Among special fee summer programs offered for which enrollments are being accepted for one or more weeks are the following: Kinder-Kamp, a day camp type program for children 4-6 years of age operating five mornings per week; Girls' Gymnastics School, also conducted Monday through Friday 9 to 12 Noon for girls in grades 4-9; Trip Club, for youth 7-12 years of age involving bus trips on Mondays, Wednesdays, and Fridays to

points of interest such as State Parks, beachtrips, deep sea fishing, Red Sox Ball game, etc.; Summer Fun Club, also for youth 7-12 years offering building centered day-camp type program on Tuesdays and Thursdays of each week.

A Private Backyard Pool Program will provide instruction in some 30 private residential and apartment complex pools for women, mothers and tots, youth in age groups running from 14-16 years. Details concerning other programs may be requested including swimming for Senior Citizens, ceramics for adults and grades 7-12, Astronomy for grades 7-9, Handwriting Analysis for adults, a limited tennis program, teen social programs for Full Privilege Members grades 7-12, dances for North Andover residents going into grades 7-9, Red Sox baseball trips on July 9 and Aug. 27 and bicycle jaunts for grades 4-12.

justification of town meeting.
Is this really a valid form of governmental decision making or is it an outdated means of decision? Carried on more out of respect for tradition than actual efficiency in town government? In another aspect of this argument the actual attendance of town meeting has shown great decline in recent years, possibly signaling town meeting is no longer an ideal form of law making and that some other more responsive way should be found to govern Andover.

But what will we really lose by the abolishment of town meeting. The public will lose a direct voice in the government of Andover. Perhaps the town can be divided into districts, and have elected representatives for town meeting, but no one can agree with every person in each district and decide accordingly. Besides,

The Bureau of Labor Statistics reported that almost 22 million youths 16 to 24 years old were in the labor force in October 1975.

the delegate's decision would be swayed more by personal preference than any other factor.

But if the people in town refuse to attend on the excuse they don't have the time, then districts represented by delegates would be the answer.

To correct this situation, the people of Andover better wake up by taking the opportunity and participating in town meeting while it is still in existence. By taking this action, it will enforce the basis for town meeting, and ensure that the people in this community have true freedom of choice. But why has town meeting been carried on for so many years by people who don't even know why town meeting was set up the way it exists?

There is no person in Andover who has any personal attachment to this process. The answer lies in heritage, and the proudness of displaying it, and now is the time to regenerate this feeling of pride and to show the real reasons for backing town meeting.

It still is the most effective way to allow free choice and in that is what the seed of pride is rooted.

Graduate At New Hampton

John H. T. Francis, son of Mr. and Mrs. George W. Francis of Alden Road, Andover, and Mark W. Zurwell, son of Mr. and Mrs. William J. Zurwell of Reservation Road, Andover, were graduated on May 22 from The New Hampton School.

They were members of the 15th graduating class of the co-educational boarding school located in the Lakes Region in the foothills of the White Mountains.

John was accepted at two colleges but has decided to go into the U.S. Navy.

Mark will enter Wentworth Institute in September to prepare for a career in aeronautics.

Middle School Plan Could Cost \$2 Million

Conversion of two elementary schools for use as middle schools under a 4-4-4 grade restructuring plan could cost up to \$2 million, the school committee learned Tuesday night.

The plan is one of several being considered to ease overcrowding in Andover schools, particularly at the secondary level, over the next few years.

It calls for a grade 9 to 12 high school complex that would incorporate West Jr. High, three middle schools for grades 5 through 8, and the rest of the elementary schools for grades K-4.

A more complete report will come in September, along with one on interior renovations at the high school.

The preliminary report passed on by Supt. Kenneth R. Seifert to the committee included additions at West Elementary school in order to accommodate 850 "middle" pupils there.

The committee, however, said they weren't interested in additions, and asked for Seifert to go back to the consulting firm for costs of remodeling West and Bancroft for middle schools without external additions.

Without additions, Seifert said, about one-third of the pupils would have to be put elsewhere. He said some 300 would be left over at West, and 150 at Bancroft. He said Bancroft as it exists could be used

as a middle school for about 400 youngsters.

"It all highlights the fact," Seifert said, "that you can't just take an elementary school and make it into a middle school without changing the facility."

Middle school youngsters need more square feet per child, he said, to accommodate for showers, industrial arts and home economics rooms, science labs and additional storage.

Committeeman David Ahouse said there is more to kicking off a middle school program than the buildings involved, and expressed concern about the parents involved and the possible loss of neighborhood schools.

He said he was also concerned about continuing "at \$300 a pop" to get outside advice.

"It's going to get very expensive," he said, adding that "all of these things point at projects from half to \$2 million -- all for adding building space."

"Is this committee," he said, "going to be able to ask the Town for half a million to change these schools over?"

Committee Chairman George Olesen said it would "if it kept us from asking for a new school that would cost \$7 or \$8 million."

Olesen also defended the study of Bancroft and West for middle schools, saying that they represented different parts of town and different educational alternatives.

Andover Plumbing & Heating - 27 YEARS Of Service

Remodelling a bathroom, or perhaps a kitchen? Do it the easy way - call the Pied Pipers of Andover. Andover Plumbing & Heating, 211 North Main Street. They've been in the plumbing and heating business for the past 27 years and are equipped and qualified to handle the entire job from start to finish.

Andover Plumbing & Heating was the first in the area, as long as 16 years ago, to offer the complete job in a package at one price. They do the entire job; nothing is sub-let, so you are dealing with them and them alone. And they are not finished with the job until you are com-

pletely satisfied.

The newest in bathroom remodelling includes the new Tub-Master folding shower doors, Pulsation shower heads, continuous folding tub enclosures and Universal-Rundle sectionalized walls which enable you to add a vanity, china top and faucet in just 15 minutes. If it's new, Andover Plumbing & Heating has it!

Service calls are handled quickly and efficiently by a simple phone call to Andover Plumbing & Heating.

For home handymen, Andover Plumbing & Heating carries a good supply of do-it-yourself

equipment. Stop by for parts for your next project at this convenient store near the Shawsheen Plaza parking lot. They have a good supply of parts and other equipment for those jobs you like to do yourself.

The Pied Pipers of Andover also install complete heating systems and service gas and oil heating systems on call. They replace water heaters and offer complete commercial and industrial heating service as well.

Andover Plumbing & Heating, 211 North Main Street, Andover is open Mon. - Fri. 8-6. Tel. 475-5121.

Ecumenical Service Set For July 4

Independence Day, July 4, 1976, the Nation's 200th birthday will be celebrated in Andover by honoring our own militiamen who are buried in Andover: with a town-wide ecumenical service and a family breakfast before the traditional afternoon and evening festivities.

South Church Cemetery will be the early morning scene of honor. Rev. J. Everett Bodge of South Church and the Andover Militia Company chaplain will give a homily and short prayers at the gravesides at 8:30 a.m. The Andover Militia will fire a volley and play Chester, a

Colonial tune used on such occasions. The Company will then march up School Street to Cochran Chapel at Phillips Academy. All those who wish may attend these ceremonies and join the march afterwards up the hill.

As the group approaches the academy grounds, an old bell will be rung.

This bell, recently discovered at the Academy, has the same inscription as the famed Liberty Bell of Philadelphia, "Proclaim Liberty throughout the land and all inhabitants thereof." On the waist of the bell an inscription reads, "In

Memory of General Joshua Bartlett of New Hampshire, born in Amesbury, Mass. First signer of the Declaration of Independence, July 4, 1776."

At 9:30 all clergy from the Andover churches will take part in an ecumenical service at Cochran Chapel. This service will last about one hour and there will be no other services in Andover Churches at this time. The theme will be "Remembering the Past - has the Present fulfilled the dreams of the Past?" Organist Carolyn Skillings will play tunes of Colonial Times during the service.

Immediately following the service at 10:30 a.m. a family breakfast will be served on the grounds of Phillips Academy across from the Chapel. Tickets for this breakfast can be purchased for \$1 at Liggetts in Shawsheen Plaza and Thompson's, Main Street and from all the churches in town. Ham and eggs, juice, rolls and coffee will be served. No tickets may be purchased after June 30.

The breakfast will be served from 10:30 until noon. From 11 to 12 noon the carillon in the Bell Tower will be played by Sally Slade Warner. The Andover Council of Churches have made the arrangements for the

Cohen Bill Would Bar Bargaining

With the strike by state employees in its third day, and union leaders in defiance of court orders, State Rep. Gerald Cohen (D-Andover) introduced a late filed bill to the legislature Wednesday seeking repeal of the Collective Bargaining Law.

Rep. Cohen, noting that the bill is of a controversial nature, said he took the action based on "the irresponsibility of union leaders and union members in defying court orders and conducting an illegal strike, totally subverting the intent of the law which gave them the right to bargain collectively."

Approximately 20,000 of the state's 60,000 public employees went on strike Monday morning over a new contract, in which the Alliance, representing state workers, refused the wage offer made by the Commonwealth.

Bruce Dodd

(Continued from Page One)

candidate in his successful bid for selectman.

Among his accomplishments was great assistance to the National Foundation, March of Dimes.

Born in Montclair, N.J., he was a graduate of the class of 1947, Massachusetts Institute of Technology and was a veteran of World War II and the Korean Conflict, serving in the U.S. Navy as a gunnery officer.

Prior to being stricken with polio in August of 1955, he was production manager for Commercial Filters Co., Melrose.

He is survived by his wife, Rosalie (Van Everen) Dodd; three daughters, Alison B. Dodd of Whitefield, N.H.; Carol, wife of Fleming Adelson of Edgartown and Patricia H. Dodd, Bar Harbor, Maine; a son, Douglas V. E. Dodd of Durham, N.H.; a

brother, Douglas Dodd of Albemarle, South Carolina, and a grandson, Jesper J. Adelson of Edgartown.

A Memorial Service will be held Friday at 11 a.m. in South Church, at which Very Rev. Frederick Brooks and Rev. J. Everett Bodge, pastor, will officiate. Ushers will be Henry Allen, Canton, vice president, First National Bank, Boston; Dr. Brooks Van Everen, Lafayette, Colorado; Dr. Benjamin Brooks, Washington, D.C.; Henry Adriance and Gardner Kellogg of Dalton, N.H.

Cremation will be at Harmony Grove, Salem.

At the request of the family there are no calling hours.

Memorial contributions may be sent to the National Foundation, March of Dimes, Inc., 89 North Main St., Andover.

Funeral arrangements are in the charge of the Lundgren Funeral Home, 18 Elm St., Andover.

Officers Elected

At the annual meeting of the Merrimack Valley Diabetes Education Program held in June, the following officers were elected: Mrs. Kenneth Hubbard, RN, LGH, president; Miss Ruth Westcott, RN, Andover, treasurer; Mrs. Robert J. Pelrine, Andover, clerk; Mrs. Edwin Flagg, Billerica, corresponding secretary.
